

# Technical data sheet

Parallel connector Rd 8–10 mm, M8 x 25

Item number: 5315506

- With two M8 x 25 hexagonal screws made of steel, zinc/nickel-coated

|    |                      |
|----|----------------------|
| SG | cast steel           |
| DN | Zinc / nickel coated |

| Master data         |                      |
|---------------------|----------------------|
| Item number         | 5315506              |
| Description 1       | Parallel connector   |
| Manufacturer        | OBO                  |
| Dimension           | 8-10mm               |
| Material            | cast steel           |
| Surface             | Zinc / nickel coated |
| Surface standard    |                      |
| Smallest sales unit | 25                   |
| Unit of quantity    | Piece                |
| Weight              | 13.23 kg             |
| Weight unit         | kg/100 pc.           |
